

Living In The New Year 2016

Ecclesiastes 3:10-14

In our scripture this morning Solomon is giving us wisdom to live by and directions to understand God and His will for our lives.

We must choose to serve Him daily.
We must yield our lives to Him.
When we make that choice and align our will with His will, we are assured our day of visitation.

We find in the book of *Joel 3:12-14* an alarm being sounded.
Make church a habit in your life.
Make prayer a priority.
Make fasting a part of your routine.
Allow worship to be paramount to your life.

Johsua 24:14,15, The blessing of choice.

Deuteronomy 28, outlining the blessings in obedience.

Seven things that we can do to follow the will of the Lord for 2016.

1. Develop His mind—*Philipians 2:5-8*
2. Learn to express His heart—Allow bitterness and unforgiveness to leave so that you can express what God is thinking.
